

Certificate
No. 4327-08

CERTIFICATE

Inspecta Sertifiointi Oy has granted a product certificate to

Flinkenberg Oy Ab
The Steel Service Center, Kerava
Tiilitehtaankatu 1, FI-04260 KERAVA

to certify that Inspecta Sertifiointi Oy has verified that the following products of the company and their manufacturing quality assurance fulfil the requirements set in the requirement documents **TR 392:2018, SFS 1267:2008**:

Units for concrete reinforcement

Load-bearing welded cross joints made of B500B SFS 1300, class FL30/SF55, diameters 20/20 mm
De-coiling of hot rolled ribbed reinforcing coils B500B SFS 1300, diameters 8, 10, 12, 16 and 20 mm
Cutting, bending and rebundling of type approved reinforcing steels
Manufacturing of units for concrete reinforcement by tack welding

Place of manufacture: Tiilitehtaankatu 1, FI-04260 KERAVA

The company is entitled to use the certification mark on products fulfilling the requirements. The certificate holder is responsible for ensuring that the products comply with the requirements.

The certificate is issued on 2023-04-11
(first issue 1997-05-26).

Maija Vanttaja, Managing Director

The certificate is based on initial inspection and type testing. The certificate shall remain valid until further notice provided the requirements set in the General Rules for Product Certification and the above-mentioned product group specific requirement documents are continuously met. The validity of the certificate can be verified on the Internet at www.kiwa.com/fi.
